Trade-marks Journal

Vol. 62 No. 3191

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

DRIVING IDEAS

GOODS

(1) Printed publications, namely books, pamphlets, booklets and instructional material, namely, instructional manuals and service manuals and handbooks relating to motor vehicles and their maintenance and repair, books, educational software featuring instruction in engineering, electrotechnic, vehicle construction and engineering, drivers education, reconstruction, repair, servicing, dismantling, cleaning, maintenance and varnishing and customization of vehicles and their parts, interactive games and puzzles, journals, online glossaries, on-line tutorials; printed advertising articles and printed advertising materials, namely books, pamphlets, booklets and instructional material, namely books, pamphlets and printed manuals, CD's and DVD's containing books, pamphlets and manuals in the field of automobile manufacture and design in the field of automobile manufacture and design, namely books, pamphlets and printed manuals, and customized ballpoint pens and pencils.

(2) Varnishes; paints and lacquers, namely, colour pigments for painting; anti-rust preparations for preservation; undercoating for vehicle chassis; thinners for lacquers; wood preservatives; fabric dyes; mordants for dyeing natural fibres; raw or natural resins; metal foils and metals in powder form for painters. decorators, printers and artists; Industrial grease and oil; vehicle lubricants; dust laying and absorbing compositions for use on unpaved roads; fuel namely motor fuel, lighting fuel; candles, wicks for candles; Metal, wood, plastics working machines, namely metal working machines, wood milling machines and injection plastic molding machines; machines for production, repair and dismantling of land, air and water vehicles and machine tools for the chemical, agriculture, mining, textile, food, beverage, construction and packaging industry, namely cultivators, harvesters, starters and seeders, drilling machines, textile scutching machines for the textile industry, packing machines for the food industry, aerated beverage making machine for the beverage industry, concrete construction machines for the construction industry, packaging machines for the packaging industry; metalworking machine tools; motors, other than for land vehicles motors other than for land vehicles, namely, motors for airplanes and boats and electric motors for machines; motor parts for motors of all kind other than for land vehicles, namely, motors for airplanes and boats and electric motors for machines; motor parts for motors of all kind, namely, air filters for motors and engines, automatic control mechanisms for the control of engines in the

nature of pneumatic controls for machines, motors and engines, glow plugs for diesel engines; electric motors, not for land vehicles other than for land vehicles, namely, motors for airplanes and boats and electric motors for machines; motor parts for motors of all kind, namely, air filters for motors and engines, automatic control mechanisms for the control of engines in the nature of pneumatic controls for machines, motors and engines, glow plugs for diesel engines; parts for electric motors of all kind other than for land vehicles, namely, motors for airplanes and boats and electric motors for machines; motor parts for motors of all kind, namely, air filters for motors and engines, automatic control mechanisms for the control of engines in the nature of pneumatic controls for machines, motors and engines, glow plugs for diesel engines; filters for cleaning cooling air for engines; glow plugs for Diesel engines; machine couplings and transmissions, except for land vehicles; clutches for machinery; parts of machine couplings and transmissions, power-operated jacks; motorized lawn mowers; Scientific, nautical, surveying, electric, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments namely contact lenses, spectacles (optics), spectacle cases, binoculars, magnifying glasses, sunglasses, automatic control mechanisms for the steering and control of vehicles and engines, simulators for the steering and control of vehicles, voltage regulators for vehicles, vehicle breakdown warning triangles, cigar lighters for automobiles, alarms namely burglar alarms, fire alarms, anti-theft alarms for vehicles, electric accumulators and their parts, namely batteries and capacitors, electric batteries for automobiles namely battery housings, battery electrolytes, battery terminals, battery electrodes; chargers for electric automobile batteries; speedometers, vehicle breakdown warning lamps. life jackets, swimming belts, swimming flippers, swimming jackets, water wings, acid hydrometers. remote controls used for the remote operation of a motor vehicle, compasses (directional), navigation apparatus, namely computer systems for the transmission and communication of radio, sound, digital images, photographs, films , books, interactive maps, land mapping data and telematic communication service providing wireless navigation and tracking data; paper, cardboard and goods made of these materials, namely, calendars, stationery, namely pens. pencils, note paper, writing paper, envelopes; playing cards, hat boxes of cardboard, cardboard packaging, boxes of paper, printed matter, namely, printed calendars, printed forms, printed invitations, atlases and geographical maps, books, bookbinding material, namely, bookbinding tapes, bookbindings, cloth for bookbinding; photographs; adhesives, namely, glues for stationery or household purposes; artists' materials, namely, art pads, art paper, artists' brushes; paintbrushes; typewriters, office articles excluding furniture, namely, magnetic boards, file folders, desktop stationery cabinets; printed instructional and teaching materials, namely, books, educational software featuring instruction in engineering, electrotechnic, vehicle construction and engineering, drivers education, reconstruction, repair, servicing, dismantling, cleaning, maintenance and varnishing and customization of vehicles and their parts, interactive games and puzzles, journals, online glossaries, on-line tutorials; packaging material made of plastics, namely, plastic bags for packaging, plastic bubble packs for wrapping or packaging; printing type; printing blocks, atlases, calendars, geographical maps, printed publications, namely, brochures, booklets, flags of paper, table napkins of paper; contact lenses, spectacles, spectacle cases, binoculars, magnifying glasses, sunglasses, simulators for steering and controlling vehicles, vehicle breakdown warning lamps and their parts, cigar lighters for automobiles, alarms, namely hazard and danger alarms, alarm clocks electric batteries and their parts for land, sea, water, household devices and machinery of all kinds and chargers therefore, namely battery housings, battery electrolytes, battery terminals, battery electrodes, all of the aforementioned for automobiles, mobile phones, motor boats, and aircraft; fuel cells and their parts, battery chargers for electric batteries rulers, measuring instruments, namely measuring buckets, measuring cups, measuring tapes, control mechanisms and power and voltage supply units for vehicle headlights and their parts, control mechanisms and power and voltage supply units for vehicle lights and their parts, measuring apparatus and measuring instruments, namely tape measures, clocks, watches, tachometers; revolution counters, namely odometers, tachometers control mechanisms and power and voltage supply units for vehicle lights and their parts, namely timers, switches and sensors electronic controls for internal combustion engines and electric motors for land vehicles, life saving apparatus and equipment, namely life-saving rafts, fire escapes , safety nets, safety tarpaulins, life belts, life buoys, acid hydrometers, electric relays for air, land and water vehicles and machines namely switches; laser pointers, remote controlling apparatus, namely ignition and shutdown switches; solar batteries for industrial, commercial and residential vehicle machinery use namely agricultural machinery; compasses; spirit levels for industrial, commercial, residential, vehicle and machinery use namely agricultural machines; tire balancing units for land vehicles; apparatus for recording, transmission and reproduction of sound and images, namely telephones, cameras, pocket translators, aerials, radios; television apparatus, namely televisions, monitors telephone apparatus, namely household, satellite landline and video telephones; projection apparatus, namely projectors, power point computers; cinematographic cameras, cameras for photography; photocopiers, electronic translation apparatus, namely pocket translators; exposed films; blank magnetic, electronic and optical data carriers, namely computers, hard drives, except unexposed films, recording discs, encoded magnetic cards for controlling access to premises, encoded magnetic value storage cards, integrated circuit cards (smart cards); encoded telephone cards; automatic vending machines, coin operated mechanisms for television and vending machines; cash registers, calculating machines, namely calculators, data processing apparatus, namely, computers, electronic calendars and organizers, facsimile apparatus, namely facsimile machines; monitors, namely computer screens and television monitors; computer periphery devices, namely, printers, scanners, keyboards, joysticks, modems, computer mouse, trackballs; pocket calculators; fire extinguishers; pocket calculators; recorded computer programs and software for use in diagnosis and repair of automobile engines and database storage of collected data recorded on data, carriers namely computer chips and sticks, flash drives, smart cards; fire extinguishers; amusement apparatus and apparatus for games adapted for use with external screens or monitors namely video games and electronic adventure games; Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary installations namely furnaces, air conditioners, microwaves, stoves, refrigerators, HVAC systems, water purifiers, septic and sanitation systems, clothes dryers and hair dryers; pocket torches, friction lighters for igniting gas, defrosters for vehicles, heating apparatus for defrosting windows of vehicles, namely heaters, air conditioners and defrosters; vehicle headlights and their parts, vehicle lights and their parts, electric coffee machines; Vehicles for locomotion by land, air and water and their parts, namely automobiles, airplanes, watercrafts, trucks, vans, sport utility vehicles, bicycles, tricycles and trailers for same motorized land vehicles and their parts, namely automobiles, trucks, vans, lorries, trailers, buses, motorcycles and snowmobiles and their parts trailers for vehicles and their parts, engines for land vehicles, tires for vehicle wheels, rims for vehicle wheels, complete vehicle wheels and their parts, motorized scooter, and motorized automobiles for children; Precious metals and goods made of precious metals, namely, jewellery, tie pins, cuff links, pins, key rings, trinkets or fobs made of precious metals; chronometrical instruments namely clocks and watches, wristwatches and stop-watches and pocket watches, cases for clock- and watch making tools and equipment; precious stones; photographs; printed publications, namely books, pamphlets, booklets and instructional material, namely, instructional manuals and service manuals and handbooks relating to motor vehicles and their maintenance and repair; printed advertising articles and printed advertising materials, namely books, pamphlets, booklets and instructional material, namely printed manuals, pamphlets and books; animal skins and fur; trunks (luggage); umbrellas, parasols; whips, harness for animals, valises, Bags, namely travel bags, backpacks, suitcases, brief cases sport, traveling, and handbags, pocket wallets, key cases (leather goods); Clothing and headgear for wear, namely, trousers, pants, t-shirts, polo-shirts , shirts, sweat shirts, coats, jackets, jumpsuits, gloves; shoes, neckerchiefs, neckties, scarves, shawls, caps, hats, bonnets, berets, hoods; footwear, namely shoes, boots, sandals. slippers and athletics wear; Games, playthings and gymnastic and sporting articles, namely, scale model vehicles, scale model automobiles and toy automobiles; non-motorized vehicles for children. namely, non-motorized scooters for children; footballs, tennis rackets, gymnastic parallel bars, gymnastic horizontal bars, gymnastic training stools, gymnastic vaulting horses; playing cards, stuffed toy animals, stuffed toys, apparatus for electronic games other than those adapted for use with an external display screen or monitor, namely, video games, ornaments for Christmas trees, except illumination articles and confectionery, namely, candy, cookies and sweets, namely, candies , kaleidoscopes.

SERVICES

(1) Retail and wholesale services in the field of motor vehicles and their parts and fittings, presentation of automobiles and automobile accessories for sale in retail outlets, as well as on line in the form of magazines and catalogues; consumer information and consultation in the automobile trade and business activities, namely consumer advice consisting of information and educational materials in the form of catalogues, brochures, pamphlets and magazines for consumer use industrial analysis services, industrial research services, industrial development services namely, reconstruction, repair, servicing, dismantling, cleaning, maintenances and varnishing of vehicles and their parts and motors and their parts.

(2) Retail and wholesale services in the field of motor vehicles and their parts and fittings, retail and wholesale services for mail-order business in the field of motor vehicles and their parts and fittings, retail and wholesale services via Internet in the field of motor vehicles and their parts and fittings. retail and wholesale services via teleshopping in the field of motor vehicles and their parts and fittings; bringing together, but not transporting, a variety of motor vehicles and parts and fittings therefore for the benefit of others, thereby enabling customers to view and purchase the goods in a retail outlet, namely vehicle dealership showroom services; negotiation of contracts for the benefit of others about sale and purchase of motor vehicles and their parts and fittings; presentation of goods in communications media, for the retail; consumer information and consultation about trade and business activities (consumer advice), namely information and educational materials for customer use in the field of automobiles and automobile accessories, namely catalogues, brochures and magazines for consumer use; administrative handling of orders (office operations management); negotiation of contracts for the benefit of others about sale and purchase of goods namely leasing services; consultancy and assistance in organization and management of retail and business companies; advertising of the goods and services of others; business management; business administration; office work namely, administrative and data processing work concerning motor vehicles and their parts and fittings and business administration services; personnel recruitment, personnel management consultancy, business management consultancy, public relations, radio and television advertising of the goods and services of others; collecting and arranging of relevant press articles, namely editing services; Insurance, health insurance underwriting, insurance brokerage, accident insurance underwriting; issuance of credit cards, loans (financing), installment loans, credit bureaus, financial consultancy, vehicle leasing services, finance-leasing of vehicles, real estate services, apartment house management, real estate management, real estate appraisal, rental of offices (real estate), renting of flats, real estate agencies, leasing of real estates; services of an insurance agent; services of a financing broker; services of an estate agent; services of a stock broker; provision of estimates for repair costs, namely vehicle estimate and repair services; Reconstruction, repair. servicing, dismantling,
